

Your tax payable amount is invalid, which falls between RM 200 to RM 600

Due to the interference of **tax rebate entitlement of RM400**

* (for Taxable income less than or equal RM35,000) .

Below table of a few Taxable income level vs Nett Tax payable

Taxable income	Gross Tax payable	Less Rabate	Nett Tax Payable
28300	399	-400	0
31700	500	-400	100
35000	600	-400	200
+1 = 35001	600	*0	600
36250	700	*0	700

See !! , you will not pay anything within RM200 to RM600

you are either pay less than RM 200 , OR RM600 and above !!
